

Questionnaire

1. What is your involvement with Athena, if any?
2. How has the Athena Center affected your Barnard experience? (for students)
3. What is your sense of Athena's mission and impact? (for faculty)
4. What parts of the program/Center do you think work well? Are there aspects you would like to see expanded on? Are there new areas of focus or new directions you would like to see the Center pursue?
5. What parts of the program/Center do you find least valuable or think could be improved upon or eliminated?
6. What kind of new leadership do you envision for the Center? What are the qualities and/or qualifications the College should seek in the new Director?
7. Is there anything else you would like to add?
